Dear St. Maria Goretti Catholic School supporter,

I hope this letter finds you filled with the joy of the Christmas Season. As a parent of six children I feel that the best gift that I have given my children that will never break or go out of style or that will last a lifetime is the gift of their Catholic school education.

I am sending this letter to you because I know you believe in Catholic schools and what the Catholic faith has to offer to our future Catholic leaders and laity. Our families are the domestic church and as such we are called to pass on our truly rich and wonderful faith traditions.

St. Maria Goretti Catholic School continues to thrive because of its faithful supporters. The goal of our annual appeal is to raise funds to support specific projects not funded by tuition. My personal goal is to see that everyone participates in our annual appeal. No gift is ever too small and God is never outdone in generosity by those who love him.

Due to the generosity of the people listed in our Supporting Benefactors List on the next page we were able to realize last year's goal to purchase the walkie talkies needed to provide two way communication for teachers and staff. This year we ask you to support our efforts to raise the much needed funds to replace our playground's sand with a solid surfacing that is safer and will be enjoyed by all for years to come. The cost of this project is \$45,000.00. Your gift will be commemorated on a plaque on our playground once our goal is realized. May God continue to bless you and your family during this holiday season and in the year to come!

God Bless,
