*We extend a warm welcome to our new families , as well as, all returning families. We have a great year planned!

*The 2009-2010 parent-student handbook is posted on our school website. The handbook contains important information.

*Parents of students in grades 1-8 are asked to use the morning drop-off at the rear of the building. We supervise morning drop-off from 7:25 to 8:00 every morning. The back doors are locked at 8:00 and students arriving after 8:00 must report to the front office for an admit pass. Kindergarten students will join morning drop-off during the second nine weeks.

*Afternoon car-line will begin once the temperature and heat index drop below 95 degrees.

*Most school information will be sent via e-mail. Parents are asked to register if they have not by going to school website smgschool.org and using the kidmail login. Families that are currently registered are asked to move their children up to their new grade for this school year. This may also be done by clicking on the kidmail login.

*Please verify that your child is in compliance with uniform dress. Shoes must be solid "all white" tennis shoes. Logos must be white also. Approved socks are crew length and solid white without logos. Girls may wear solid white, red, navy or uniform plaid hair ribbons, bows or headbands. They may not wear scarves. Colored or streaked hair is prohibited and parents will be contacted to return hair to original color. Teachers will be contacting parents of uniform violations. Additional information may be found in parent-student handbook pages 21-22. We really appreciate your help.
