- -----
- We wish everyone a very Happy Thanksgiving!
- Stanford Achievement Test results for 2nd-8th grades are available in the front office for pick up.
- Our kidmail/e-mail via the school website is up and running. We need everyone to register to view school communications via our school website. The registration process is simple. All a family needs to do is log on to the school website smgschool.org and then click on kidmail login in the bottom right corner of the homepage and then follow prompts. Parents will be notified when application has been processed. Please contact the school via e-mail at secretary@smgschool.org with problems. Families without internet access need to contact the school office.
- The theme for Catholic Schools Week this year is "Catholic Schools Celebrate Service". We model this theme well at SMG. Thank you to everyone who supported our Thanksgiving food drive and we now ask that you continue your generosity by helping us with our Christmas toy drive. We donate toys to the Sisters of St. Mary of Namur outreach ministry. Over the years we have been able to give each child on our list 3 to 5 toys based on the number donated. The ages of the children range from 2 years to 14 years of age. These children have gifts for Christmas morning because of the caring families at SMG. Please help us continue this wonderful service project by donating an unwrapped toy to the school during our drive December 8th through December 19th.
- Parents are reminded to check NBC 5 for school closings resulting from bad weather. We will also post on our school website. We look forward to a mild winter and no school closings because of ice or snow.
