Mass hosted by 7th grade

Danielita's dine-out night

Friday, November 7

### NOON DISMISSAL

Tuesday, November 11

Veterans Day Assembly hosted by 5th grade 9:30 am

• -----

- Parent/teacher conferences are here. 2nd-8th grade students are asked to attend conferences with parents. This is an opportunity for students to hear about their successes and recognize areas that might need attention. The conferences are 20 minutes in length. We need to stay on time to ensure that everyone's conference time is met. Please remember that all outstanding balances (tuition, fees of all types) must be cleared prior to receipt of report cards.
- Stanford Achievement Test results for 2nd-8th grades have not arrived in time for conferences. We will send them home via kid mail as soon as they arrive. The tests are administered in September to help teachers identify the strengths and weaknesses of their students and to give them time during the year to work with students who might need additional help in a particular area. The Metropolitan Readiness Test administered in first grade will be distributed during conferences.
- We are very pleased to announce that our new e-mail communication system is ready. Instructions on the system will be provided at parent/teacher conferences. Our hope that everyone will find the new system user friendly.
- We will be collecting coins for the victims of hurricane Ike all year.
